Dear General Walters,

I am forwarding with this letter the KAPPA 74 Initial Scenario and Issues, Problems, Questions book. It is provided for your examination prior to the exercise and need not be carried to Hawaii. You will be furnished an additional copy for game play.

The initial scenario is designed to set the stage for the KAPPA simulation. The issues, problems and questions identify several United States national security interests in the Asian area which will be addressed during KAPPA play. You will receive the crisis portion of the scenario at the first team meeting on 9 December 1974.

I look forward to your arrival in Honolulu and to your participation in KAPPA 74.

Sincerely,

A handwritten signature in cursive script, reading "Lee E. Surut", is written over the typed name.
